John -

When looking at the drug display as set up in the main corridor downstairs I was again struck by the irony (perhaps inequity?) of the situation in which [] and [] find themselves.

STAT

I wonder if we should not consider some internal award or recognition for them to substitute for the fact that they could not be in the public eye at the AMA convention.

I am making a similar suggestion to D/Log in connection with his visual aids people who also made a major contribution.
